

Visit MSKTC.org to access free resources on spinal cord injury, traumatic brain injury, and burn injury.

The MSKTC is operated by American Institutes for Research in collaboration with the Center for Chronic Illness and Disability at George Mason University and BrainLine at WETA. The health information offered through the MSKTC is not meant to replace the advice from a medical professional. Users should consult their health care provider regarding specific medical concerns or treatment.

Our factsheets have been translated into Spanish and are available at MSKTC.org/Spanish.

Use Google Translate on MSKTC.org to translate our Web pages.

SCI TBI Burn

The Model Systems Knowledge Translation Center is a national center that helps facilitate the knowledge translation process to make research meaningful to those with spinal cord injury (SCI), traumatic brain injury (TBI), and burn injury (Burn).

SCI

Spinal Cord Injury (SCI) Resources

MSKTC.org/SCI

SCI Factsheets (Available in Spanish)

- ◆ Autonomic Dysreflexia
- ◆ Bowel Function After SCI
- ◆ Depression and SCI
- ◆ Driving After SCI
- ◆ Employment After SCI
- ◆ Gait Training and SCI
- ◆ Pain After SCI
- ◆ Pregnancy and Women With SCI
- ◆ Respiratory Health & SCI
- ◆ Safe Transfer Technique
- ◆ SCI and Bladder Health
- ◆ SCI and Bladder Surgery
- ◆ Sexuality & Sexual Functioning After SCI
- ◆ Skin Care and Pressure Sores (6 Part Series)
- ◆ Spasticity and SCI
- ◆ The Wheelchair Series: What the SCI Consumer Needs to Know (3 Part Series)
- ◆ Understanding Spinal Cord Injury: Part 1—The Body Before and After Injury
- ◆ Understanding Spinal Cord Injury, Part 2—Recovery and Rehabilitation

SCI Slideshows

- ◆ Employment After SCI
- ◆ Gait Training After SCI
- ◆ Pain After SCI
- ◆ Safe Transfer Technique

SCI Hot Topic Module

- ◆ Managing Pain After SCI

SCI Systematic Review

- ◆ SCI and Measures of Major Depression
- ◆ SCI and Sleep Apnea

SCI Quick Research Reviews

- ◆ SCI Quick Research Reviews of Model Systems publications are frequently posted on the MSKTC Web site

SCI Database

- ◆ More than 600 citations for studies conducted by SCI Model Systems researchers

TBI

Traumatic Brain Injury (TBI) Resources

MSKTC.org/TBI

TBI Factsheets (Available in Spanish)

- ◆ Acute Inpatient Rehabilitation and TBI
- ◆ Alcohol and TBI
- ◆ Balance Problems and TBI
- ◆ Cognitive Problems After TBI
- ◆ Couples Relationships After TBI
- ◆ Depression After TBI
- ◆ Driving After TBI
- ◆ Emotional Problems After TBI
- ◆ Fatigue and TBI
- ◆ Headaches After TBI
- ◆ Returning to School After TBI
- ◆ Seizures After TBI
- ◆ Sexuality After TBI
- ◆ Sleep and TBI
- ◆ Spasticity and TBI
- ◆ Understanding TBI (4 Part Series)
- ◆ Vegetative and Minimally Conscious States
- ◆ Vision Problems After TBI

TBI Slideshows

- ◆ Alcohol Use After TBI
- ◆ Couples Relationships After TBI
- ◆ Depression After TBI
- ◆ Emotional Problems After TBI
- ◆ Fatigue and TBI
- ◆ Sexuality After TBI
- ◆ Sleep and TBI

TBI Hot Topic Module

- ◆ Relationships After TBI
- ◆ TBI and Depression

TBI Systematic Reviews

- ◆ TBI and Depression Interventions
- ◆ TBI and Equity With Substance Abuse Brief Interventions
- ◆ TBI and Fatigue Interventions
- ◆ TBI and Headache Interventions

TBI Quick Research Reviews

- ◆ TBI Quick Research Reviews of Model Systems publications are frequently posted on the MSKTC Web site

TBI Database

- ◆ More than 550 citations for studies conducted by TBI Model Systems researchers

Burn

Burn Injury (Burn) Resources

MSKTC.org/BURN

Burn Factsheets (Available in Spanish)

- ◆ Employment After Burn Injury
- ◆ Exercise and Burn Injury
- ◆ Help Your Child Recover—Build Your Child's Resilience After a Burn Injury
- ◆ Itchy Skin After Burn Injury
- ◆ Managing Pain After Burn Injury
- ◆ Psychological Distress After Burn Injury
- ◆ Return to School After Burn Injury
- ◆ Sleep Problems After Burn Injury
- ◆ Social Interactions After Burn Injury
- ◆ Understanding and Improving Body Image After Burn Injury
- ◆ Wound Care and Scar Management

Burn Slideshows

- ◆ Employment After Burn
- ◆ Social Interaction After Burn Injury

Burn Hot Topic Module

- ◆ Returning to Work After Burn Injury

Burn Systematic Reviews

- ◆ Epidemiology and Impact of Scarring Following Burn Injury
- ◆ Return to Work After Burn Injury

Burn Quick Research Review

- ◆ Burn Quick Research Reviews of Model Systems publications are frequently posted on the MSKTC Web site

Burn Database

- ◆ More than 200 citations for studies conducted by Burn Injury Model Systems researchers

We update the MSKTC Web site with new resources as they are released—please visit www.MSKTC.org often!
